ARTrails is a cooperative gathering of artists for the purpose of education, promotion and community. The effort for our Studio Tour is produced by volunteers and our Gala Reception is provided by the community restaurants who have contributed to our endeavor. We would like to thank the many volunteers and businesses who have contributed to our annual event. We would like to acknowledge the City of Centralia for its support of ARTrails from the time it was just a vision. Now in our 6th year, with 61 artists and growing, we are receiving more support than ever and we are very grateful. We also thank the City of Chehalis for its interest in art and look forward to a longstanding relationship with Chehalis as well. Please support those businesses who have so generously supported us.
